

About ICPR

The International Conference on Production Research (ICPR) encourages the communication among researchers in the fields of production development, production systems and processes. It is regarded worldwide as one of the leading conferences promoting research in the fields of production research and industrial engineering.

Honorary committee

Chair of Honorary Committee

Tomasz Łodygowski
(Poznan University of Technology)

R. Andre (Andre Abrasive Materials)	L. Kiełtyka (TNOIK)
A. Dubaj (HCP Poznań SA)	R. Knosala (Opole University of Technology)
J. Filipiak (Comarch)	J. Oksen (Volkswagen Poznań Sp. z o.o.)
P. Florek (UWW)	R. Słowiński (PAN Poznań)
J. Jaśkowiak (UMP)	M. Woźniak (MWW)

Organizing committee

Chair
Marek Fertsch
(Poznan University of
Technology)

Joanna Oleśków-Szłapka (Communication)
Karolina Werner-Lewandowska (Organization)
Agnieszka Stachowiak (Scientific Issues)

Conference venue

Poznan University of Technology (PUT)

24TH INTERNATIONAL CONFERENCE ON PRODUCTION RESEARCH

July 30- August 3, 2017
POZNAN, Poland

Organizers

The International
Foundation for Production
Research (IFPR)

Faculty of Engineering Management (FEM)
at The Poznan University of Technology (PUT)

Topics

Advanced manufacturing techniques and technologies

- Advanced manufacturing techniques and technologies
- Digital manufacturing and virtual factories
- Mechatronics
- CAM/CAD
- Additive manufacturing

Sustainable manufacturing

- Human-oriented manufacturing
- Energy efficient systems
- Green development
- City logistics
- Natural resources safety

Manufacturing management

- Lean, agile, reconfigurable manufacturing systems,
- Resources (human, knowledge, financial, technical management)
- Manufacturing strategies
- SCM
- Innovativeness

IT/AI for manufacturing

- Simulation and visualization
- Industrial IoT and Cyber-Physical systems
- AI in manufacturing systems
- Augmented reality
- IT safety

Support and service processes

- RCM, RBM, MRM and self-maintenance
- Logistics
- Physical Internet

Special sessions

Invited session proposal (the proposer is responsible for inviting the participants to present their research results within the session subject)
Open session proposal (the proposer suggest the research area and all authors willing to present the specific aspect of their work have opportunity to contribute to the session).

Poster session

Poster presentation is optional for some of the papers accepted for the conference (suggested by the authors or the reviewers).

Doctoral training/Early Career Researchers Programme

28th July-30th July 2017, Poznan,

Contact Details:

Chair of the Doctoral Training and Early Career Researchers Programme Committee
Dr Rob Dekkers
Adam Smith Business School/
University of Glasgow
