23<sup>rd</sup> International Conference on Production Research (23<sup>rd</sup> ICPR)  
14<sup>th</sup> Philippine Institute of Industrial Engineers (PIIE) National Congress  
7<sup>th</sup> IE Research Conference & 17<sup>th</sup> International Society for Business Innovation and  
Technology Management Roundtable Conference

The speed of technology advancement has blurred the boundaries between the digital and physical worlds! Industry 4.0 is reshaping the way we live and do business....ARE WE READY?

The PIIE in tandem with IFPR and ISBITM assembled high caliber and respectable local and foreign experts to discuss recent transformation that revolutionizes our understanding of the operating systems in the workplace. This is dubbed as the “fourth industrial revolution aptly called Industry 4.0”. Learn and discover those exciting concepts of cyber physical systems that seamlessly support the value chain.

PIIE’s theme for this exciting event is “Operational Excellence Towards Sustainable Development Goals (SDGs) Through Industry 4.0” Hear the experts speak like Prof. Hans Jorg Bullinger, from Fraunhofer-Gesellschaft, Germany, Ms. Ma. Fe Perez-Agudo, President & CEO of Hyundai Asia Resources, Inc., Prof. Wilhelm Bauer, from Fraunhofer Institute of Industrial Engineering, Stuttgart, Germany, Mr. Leandro L. Leviste, President & CEO of Solar Philippines, Prof. Sergio Eduardo Gouvea da Costa from Pontifical Catholic University of Parana, Brazil, Prof. Katsuhiko Takahashi from Hiroshima University, Japan, Prof. Chuin-Yin Huang from Tunghai University, Taiwan, and Prof. Veli-Matti Virolainen from Lappeenranta University Technology, Finland.

This major gathering shall be held on August 03, 2015. Succeeding days shall cover more concepts pertaining to climate change, trends on production research and series of workshops.

Come and be active participants on this event to build our strategies and learn new lessons brought about by the fourth industrial revolution!

Do not miss this opportunity!

Kindly confirm your participation immediately.
