

Republic of the Philippines  
OFFICE OF THE PRESIDENT  
COMMISSION ON HIGHER EDUCATION

## Message

On behalf of the Commission on Higher Education, I extend my warmest congratulations to the Philippine Institute of Industrial Engineers (PIIE) as it celebrates its 25th Anniversary and the remarkable milestones in hosting the 18th National Congress and the 10th Industrial Engineering Research Conference.

PIIE has steadfastly remained a beacon of innovation, excellence, and leadership within the field of Industrial Engineering in the Philippines since its inception in 1998.

It has meticulously shaped the minds of future industrial engineers and has significantly contributed to our nation's ongoing progress and development, unifying more than 3,000 professionals and 12,000 students under its influential umbrella.

Your 25th Anniversary will undoubtedly be a historic event, bringing distinguished experts and pioneers together to delve into innovative technological advancements, highlight critical enablers, and share best practices.

The collaborations and discussions emerging from this congregation will inspire advancements in Industrial Engineering and related domains.

We in CHED value the PIIE's unwavering commitment to fostering technical and managerial excellence among industrial engineers and elevating the standards of education and practice in the field.

Your pursuit of knowledge, the dedication to professional development, and the contribution to national development demonstrated by the members of PIIE are truly commendable.

We recognize the significant role played by the National Student Chapter in imbuing the spirit of continuous learning and growth among the Industrial Engineering student community.

The activities, programs, and initiatives orchestrated by PIIE-NSC are instrumental in shaping the future leaders of the discipline, ensuring the continuation of PIIE's rich legacy of excellence.

Republic of the Philippines  
OFFICE OF THE PRESIDENT  
COMMISSION ON HIGHER EDUCATION

On this occasion, CHED reiterates its commitment to supporting the Philippine Institute of Industrial Engineers in its endeavors.

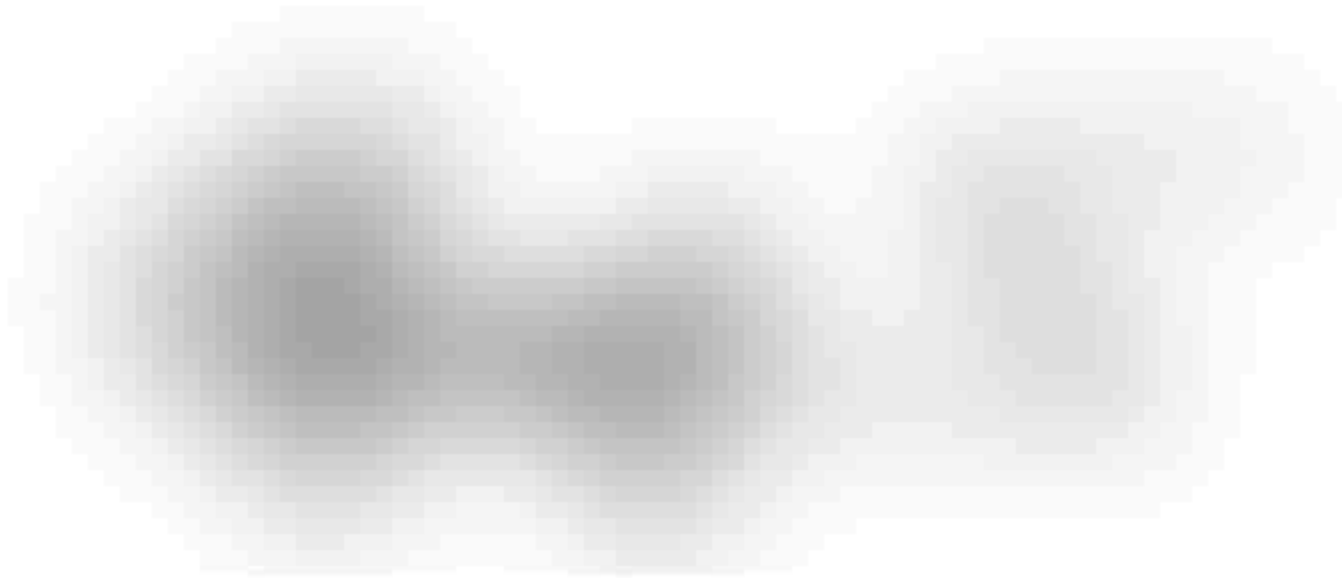

We believe that the insights and knowledge gained at the 18th National Congress and the 10th IE Research Conference will enable the Industrial Engineering community to move forward with renewed vigor and resilience, navigating the challenges of the modern world with ingenuity and insight.

May the Philippine Institute of Industrial Engineers thrive and reach even greater heights in the years ahead.

Let us continue to foster an environment of innovation, excellence, and service for the benefit of our country and the world.

Congratulations on reaching this monumental milestone, and we look forward to many more years of success.

Mabuhay tayong lahat!

**J. PROSPERO E. DE VERA III, DPA**

Chairman

Commission on Higher Education
