Engr. Jerry A. Lim

President, Philippine Institute of Industrial Engineers
Unit 3410 Cityland Pasong Tamo Tower, 2210 Chino Roces Avenue
Makati City, Metro Manila

Dear Engr. Lim,

First, allow me to extend my warmest congratulations to the Philippine Institute of Industrial Engineers (PIIE) on the auspicious occasion of your Silver Jubilee. This remarkable milestone deserves to be celebrated, for it represents a quarter of a century of dedication, resilience, and transformative impact in the field of Industrial Engineering.

As someone privileged to walk this journey alongside you, I commend your tireless efforts leading the industrial engineers' community. I am truly honored and humbled to be recognized as one of the IE Luminaries 2023.

The theme of this year's National Congress holds immense significance for us as we strive to harness the transformative power of technology to power progress and uplift the lives of Filipinos -- a purpose that resonates deeply with the entire Globe Group and the engineering industry as a whole.

As we venture forward into this exciting new era of digitalization, I look forward to contributing to and learning from the growth and evolution of our dynamic community.

Once again, I offer heartfelt thanks to the PIIE for this honor and congratulations on your extraordinary milestone!

Sincerely,

Ernest L. Cu
President & CEO
